2007-2008 State and LEA NCLB Report Card Data for Distribution by LEAs by March 30, 2009

Section 1111(h)(2) of the No Child Left Behind Act (NCLB) requires that each local education agency (LEA) that receives Title I, Part A funding to disseminate specific LEA- and campus-level data to 1) all LEA campuses, 2) parents of all enrolled students, and 3) to make the information widely available through public means such as posting on the internet, distribution to the media, or distribution through public agencies.

The following data must be disseminated for the LEA and each campus:

 - by performance level,
 - showing two-year trend data for each subject and grade tested,
 - with a comparison between annual objectives and actual performance for each student group,
 - including the percentage of each group of students not tested.
- Graduation rates for secondary school students.
- Performance of school districts on adequate yearly progress measures.
- Number and names of Title I schools identified as in need of improvement, including information on any schools identified for improvement.
- Professional qualifications of teachers in the state, including the percentage of teachers teaching with emergency or provisional credentials and the percentage of classes in the state that are not taught by highly qualified teachers, including a comparison between high- and low-poverty schools.

Links to the data needed to meet the 2007-2008 LEA report card requirements of NCLB provided below, using the existing Student Assessment reports and the AYP and Highly Qualified Reports developed by TEA. However, the **LEA must ensure that all the data required are disseminated by March 30, 2009.**

Please note that the AEIS report by itself does not meet the NCLB requirement.

Sample Parent Notification Letter

A sample parent notification letter is available at the following link:

<http://ritter.tea.state.tx.us/nclb/PDF/2007-08SampleParNotifLet.doc>

LEAs are not required to use this letter, but they must make the NCLB report card information readily accessible to the public, and parents must be notified of the availability of the NCLB report card information no later than **March 30, 2009**.

The following links are to sample letters that the LEA may modify to fit their needs:
