**C. REVISION TO:**

**Application Guidelines – Part 2: Program Guidelines, 2. Eligible Applicants.**

**Currently states:**

In Texas, a school district or open enrollment charter school that has one or more eligible campuses may apply for the Governor’s Educator Excellence Award Grant Program.

Eligible campuses were selected based on the following criteria:

- Ranking within top one third of campuses with highest percentages of economically disadvantaged students. Schools were ranked from highest to lowest percentage within each school category – elementary, middle, high, and all grades campuses;

**AND**

- Rating of Exemplary or Recognized;

**OR**

- Top-quartile performance with respect to Comparable Improvement in Math and Reading;

**OR**

- For registered alternative education campuses rated under alternative accountability procedures: TAKS passing rates, rank within the top one third within each school category with respect to percentage of economically disadvantaged students. Only alternative education campuses with 30 or more students are eligible.

Academically Unacceptable campuses are not eligible.

Each qualifying campus is eligible for an annual grant award ranging between \$60,000 and \$180,000, depending on the size of the student population at the eligible campus.

**Should state:**

In Texas, a school district or open enrollment charter school that has one or more eligible campuses may apply for the Governor’s Educator Excellence Award Grant Program.

Eligible campuses were selected in proportion to the number of schools within each school category (elementary, middle, high, and all-grade), based on the following ranking procedure:

- Campuses within the top third of highest percentages of economically disadvantaged students in each school category – elementary, middle, high, and all-grade campuses;

**AND**

One of the following three criteria:

- Rating of Exemplary or Recognized;

- Top quartile performance with respect to Comparable Improvement in Math and/or Reading;
- TAKS passing rates, if it is a registered alternative education campus with at least 30 enrolled students.

Campuses excluded from the selection were those that were rated Academically Unacceptable.

Each qualifying campus is eligible for an annual grant award ranging between \$60,000 and \$180,000, depending on the size of the student population at the eligible campus.
